

Copyright for Program Drivers of Dr. Clark Research Association

Dear Sir and Madam

I herewith confirm that I will respect the intellectual property of the Program Driver Frequencies and won't pass them on to a third party.

ALSO: I understand that zapper technology is based on the work of Dr. Hulda Clark. Dr. Clark Research Association or Dr. Clark Behandlungszentrum GmbH make no claims as to what these frequencies will do in the case of any condition or for prevention purposes. Where the zapper cannot legally be used for medical purposes, we recommend not to use it for any medical purposes. I understand that the program Driver frequency list is not to be considered a product claim of any kind.
